

SHORTO FILM MARKET

11th Edition | November 28th - 30th, 2026 | Torino

CALL: Almost Famous

Almost Famous is an international distribution pitching forum for upcoming short films, of any genre, up to 30 minutes. Selected participants will have five minutes to pitch their project to an audience of film professionals. The pitch should include the screening of a 2-minute film excerpt. Short films at the last phase of postproduction, with a rough cut or finished and unreleased, without a distribution deal, are eligible to participate. Following the pitch session, participants will attend a series of one-to-one meetings with industry professionals scheduled by the ShorTO team.

Almost Famous is dedicated to the following categories of applicants: single directors or creative teams composed of a producer and a director, from any country of the world, looking for distribution.

A diversified panel of Decision-Makers, composed of Italian and International film industry professionals – commissioning editors, buyers, distributors, festival representatives, directors, producers, and film institutions – will be invited to attend and provide feedback to the selected projects.

Eligible applicants are:
